

New disposable
WETTASK® Refillable
Wet Wiping System

The WETTASK® Refillable Wet Wiping System is a convenient alternative to using a spray bottle or open bucket in combination with a rag. This system combines all steps into one, making it easy to use and incredibly versatile. You just add the chemical solution you already use.

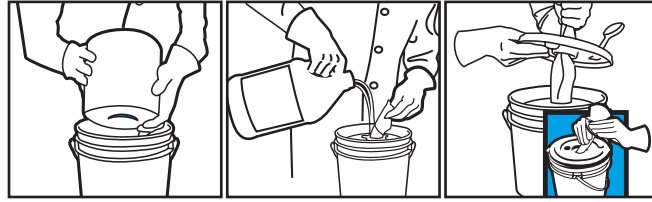

Now the new disposable WETTASK® Refillable Wet Wiping system makes cleaning and disinfecting surfaces even easier. It comes complete with six rolls of KIMTECH PREP* Wipers and a free disposable WETTASK® bucket in each case.

Features:

- Enclosed system helps to eliminate cross-contamination and reduces exposure to chemical vapors or splashes
- Three different base sheets designed for use with different chemical solutions and solvents to fit your specific cleaning task
- Ideal choice for cleaning and disinfecting surfaces
- Free disposable WETTASK® Bucket in each case
