KIMTECH PURE* G3 Sterile Latex Gloves[†] from Kimberly-Clark Professional are ideal for use in sterile cleanroom environments. The gloves are made from natural rubber latex with low proteins and low endotoxins. They are non-hemolytic and non-cytotoxic. The 12-inch long gloves are hand-specific and are packaged in polyethylene for aseptic donning. The gloves are available in hand sizes 6 through 10. For more information, visit www.kcprofessional.com.

[†]Caution: This product contains Natural Rubber Latex which may cause allergic reactions.
