KIMTECH PURE* G3 White Nitrile Gloves from Kimberly-Clark Professional are latex-free gloves ideal for use in cleanroom environments. The gloves have textured fingertips and a beaded cuff and are available in 12-inch and 10-inch lengths. The gloves feature an AQL Level of 1.5 for Pinholes, and they are static dissipative in use. These gloves are packaged in a Class 100 Cleanroom. For more information, including trended technical data, visit www.kcprofessional.com.
