

SCOTT® Disinfectant Wipes

Wipe out germs on workplace surfaces

Germs can be passed along up to seven times on “clean” surfaces. So it’s easy to pick up cold, flu and other viruses or bacteria just by touching a phone, doorknob or desktop. The easy solution: **SCOTT® Disinfectant Wipes**.

These handy wipes make it easy for employees to keep their own workspaces clean and disinfected. Plus they work throughout your workplace, killing 99.9% of the germs on keyboards, desks, copiers, conference tables – all the many surfaces people touch every day.

SCOTT® Disinfectant Wipes are a key element in **The Healthy Workplace Project*** from KIMBERLY-CLARK PROFESSIONAL*, that’s designed to prevent the spread of germs throughout your workplace.

- Dispenses a fresh, clean wipe for each task
- Provides the right sanitizing chemical at the right concentration every time
- Kills 99.9% of bacteria and viruses on hard, non-porous surfaces, including Staphylococcus aureus, Influenza A, E.Coli, Listeria and Salmonella
- EPA and NSF registered formulations

SCOTT® Disinfectant Wipes

Clean, Disinfect & Deodorize Surfaces

SCOTT® Disinfectant Wipes kill bacteria and viruses on hard non-porous non-food contact surfaces. Because they're designed to be discarded after use, SCOTT® Disinfectant Wipes eliminate transfer of germs between dirty rags and surfaces, reducing the risk of cross contamination.

Use Them Throughout Your Workplace

Scott® Disinfectant Wipes can be used to clean and disinfect hard, non-porous surfaces of:

- Cabinets
- Chairs
- Computers
- Countertops
- Desks
- Desktops
