

JACKSON SAFETY* SHADOWAIRE* II

Powered Air Purifying Respirator (PAPR)

Comfort & Protection All-in-One

The **JACKSON SAFETY* SHADOWAIRE* II Powered Air Purifying Respirator (PAPR)** provides comfort while protecting you from harsh work environments. Lightweight and built for durability for even the toughest of jobs.

Features:

- **Welding helmet** featuring the JACKSON SAFETY* premium W60 series digital auto-darkening filter. Filter automatically detects weld arc and switches to weld shade.
- **Expanded protection** with integrated settings for welding, torch cutting and grinding and continuous IR/UV protection for eyes even in the off state.

- **Lightweight blower unit** with adjusting waist belt
- **Audible alarm** signals user when need new filter or battery charge.
- **Three filters** providing NIOSH approved HE filtration from particulate contaminants.
- **Durable breathing hose** provides filtered air to the wearer during use.
- **Lightweight NiMH battery** provides 4 or 8 hr power with no memory retention.
- **Battery smart charger** prevents overcharging of batteries with auto-shutoff.
- **Storage bag** keeps entire unit secure and clean during non-use.
