

More towels.
Same space.
Less time.

SCOTT® 1000'
ROLL TOWEL
delivers the
impossible.

SCOTT® 1000' Roll Towel delivers the absorbency and strength you've come to expect from Kimberly-Clark.

And, through a unique technology called **HYDROFLEX™ Compression**, we've compressed 200' more towels into the same space as our regular Roll Towel without sacrificing quality. Impossible. But here it is.

- No need for oversized roll or dispenser; SCOTT® 1000' Roll Towel fits our current dispensers.
- Less frequent roll changes, so less time spent on maintenance.
- 200 more feet than our SCOTT® 800' Hard Roll Towel #01040.
- **HYDROFLEX™** technology allows towel to “bounce back” when dispensed, so absorbency and strength are excellent.
