Touchless Dispensing. Hygienic Luxury.

Electronic Cassette Skin Care System

From the hygienic, touchless dispenser to the luxurious KLEENEX® Foam Soap and KLEENEX® Moisturizing Instant Hand Sanitizer that goes into it, our Electronic Cassette Skin Care System makes hand washing pure pleasure.

While research shows that 25% of unsealed bulk soap systems are contaminated with potentially harmful bacteria, this system is sealed to eliminate the contamination threat.

You can count on its reliable, touchless operation to reduce cross contamination and the spread of germs.

Electronic Ease. Touch Of Class.

KLEENEX® Touchless Counter Mount Skin Care System

The latest innovation in hygienic dispensing, this system delivers a luxury impression with well-engineered efficiency. Designed to use KLEENEX® Brand Luxury Foam Skin Cleansers, this dispenser is an elegant restroom addition users will appreciate.

A hygienic touchless system

This system features a hygienic sealed refill that effectively reduces cross contamination. Research shows that 25% of unsealed soap systems are contaminated with potentially harmful bacteria. Our sealed system and touchless dispensing protects the soap – and reduces the spread of germs.

Customizable for your environment

This system features SMART SHOT* Dispensing Technology¹ that allows for customizable installation and dispensing to fit your specific environment. You can set the dispenser to deliver a perfect foam shot every time – with no messy, wasteful drips. The result: reliable operation without misfires.
