

We started it . . .

60 years ago.

KIMTECH SCIENCE* KIMWIPES* Wipers "invented" the disposable wiper category. Sixty years later, it is still the leading wiper in laboratories. How does a leader last that long? **SIMPLY BY BEING THE BEST.**

Celebrate 60 years of success with us at www.kimtech.com/birthday. Play our new online game plus register for a chance to win a BOSE® Home Theatre System, BOSE® Headphones or your own birthday party kit so you can celebrate with us in your lab.

See web site for entry, details and official rules.
