

Your Animal Research. Our Innovations.

One Source for Quality & Compliance

At KIMBERLY-CLARK PROFESSIONAL*, we understand the physical, chemical, and ergonomic hazards in Animal Biosafety Levels (ABSL 1-4) facilities and are committed to helping you maintain quality research that leads to significant scientific advances.

When you're working directly with animals, protection, safety and OSHA compliance are paramount. That's why you should partner with KIMBERLY-CLARK PROFESSIONAL*.

Our products are designed to provide answers to problems such as chemical/fluid exposure, latex allergies and the spread of bacteria.

Count on KIMBERLY-CLARK PROFESSIONAL* to help you improve worker safety and meet stringent standards with our complete line of products for lab animal research facilities.
