

New head-to-toe protection that works as hard as you do

PROTECTION • COMFORT • STYLE
DESIGNED
AROUND YOU

KleenGuard^{*}
Wear it. Want it. *Brand*

Introducing...

Safety products that work well together

There's a new way to think about personal protection equipment. It's innovative; it's stylish, and it's designed around you. That means workers will want to wear it, and safety managers will want to buy it.

KLEENGUARD* Brand products are specially designed to work together and provide a winning combination of protection, comfort and style for a wide variety of applications. With KLEENGUARD* Brand products, workers and safety managers can choose from a variety of head-to-toe options, including eye protection, gloves, apparel and accessories.

Make sure you have a head-to-toe solution that works as hard as you do. See the complete line of KLEENGUARD* Brand products at www.kc-safety.com.

KleenGuard*

CONTOUR EYE PROTECTION
WITH FOAM FOG AND PARTICLE SHIELD

V50

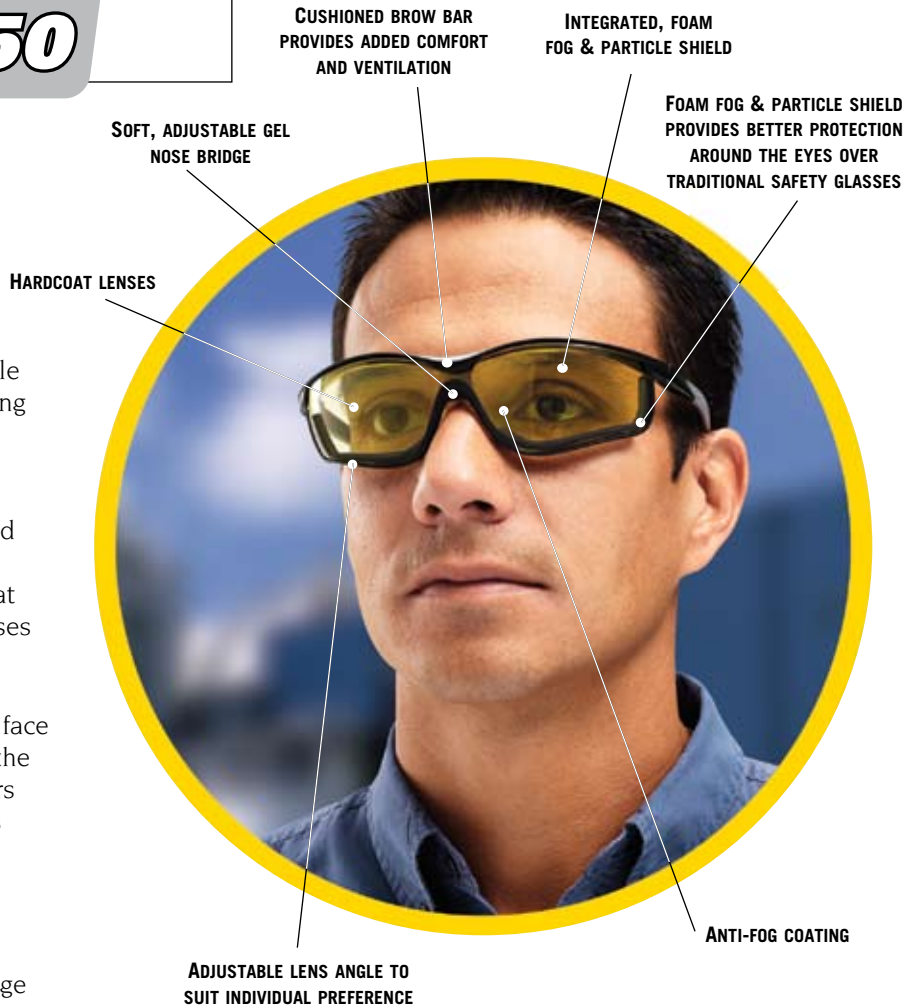

The next generation in comfortable eye protection

All-around comfort. With integrated fog and particle shield, and all-around comfortable foam surrounding the lens, the new V50 provides an undeniable advantage in comfortable protection. The new eyewear has all the features you've come to expect in KLEENGUARD* eye protection, such as ratcheted temples, scratch-resistant coating and impact resistance, and it also includes a new fog shield that reduces fogging by 50% over traditional safety glasses when worn with an industrial respirator.

Your fit. Your style. Your way. The V50 contours to face shape, allowing a better, more customized fit with the performance industrial work demands. Plus, workers will look and feel good wearing them, which means they're more likely to wear them when it counts.

Features:

- Impact resistant
- Wraparound lens for better eye coverage
- 99.9% UVA/UVB protection
- Integrated fog shield reduces fogging by 50% over traditional safety glasses when worn with an industrial respirator
- Scratch-resistant coating enhances longevity

KLEENGUARD* V50 CONTOUR EYE PROTECTION WITH FOAM FOG AND PARTICLE SHIELD

KLEENGUARD* Brand Eye Protection:

- Provides limited eye protection. Additional protective devices are required for full eye coverage and protection.
- Does not protect you from all hazards. Even though the lenses in these safety glasses are impact resistant, they can break and shatter and will not protect you from explosions, all flying debris, and severe impacts.
- Should not be worn to provide protection from other hazards including, but not limited to, extreme temperatures, high heat, airborne dusts or mists, liquid splashes, sports activities and high energy optical radiation.

MEETS THE HIGH IMPACT REQUIREMENTS IN ANSI Z87.1+
