

We've filled the hole in the tissue...

with even more tissue!

**KLEENEX® and SCOTT®
Coreless Tissue:**

Nearly 75% longer than standard bath tissue rolls[†]

**The pleasing look of a standard size roll
with high-capacity features:**

- **Easy Handling & Storage** – Small, poly-wrapped bundles of 6 rolls help to assist in product handling and transport in addition to facilitating storage when space is a premium.
- **Waste Reduction** – 100% solid tissue rolls minimize stub roll waste. Also, the elimination of inner cores and individual roll paper wrap results in less packaging waste than standard roll tissue.
- **Fewer Run-outs** – High-capacity rolls are nearly 75% longer than standard roll bath tissue,[†] minimizing maintenance time due to less dispenser refills needed.
- **Reduced Pilferage** – Non-traditional product design deters theft and pilferage.

Available in the brand names you respect:

- **KLEENEX® COTTONELLE® Coreless Tissue**, the brand you know and trust
- **SCOTT® Coreless Tissue**, the practical choice that combines softness, absorbency and economy
