KLEENEX® COUNTERTOP FOLDED TOWEL DISPENSER, SOFT GRAY

Ultra-modern design, made of opaque, gray ABS with translucent blue window, includes paper refill indicator for KLEENEX® 8" wide folded paper hand towels. Designed to prevent overstuffing and deliver one towel at a time, the dispenser is easy to open, load and dispense. Dispenser is shipped one per case.

When installed properly and used with the corresponding product, this dispenser meets the ADA Standards for Accessible Design, local rules may vary.

NOTE: Unless otherwise noted, suggested mounting height is the distance from the floor to the bottom of the dispenser.
